## BLENDING WINGLETS | FALCON 900 SERIES

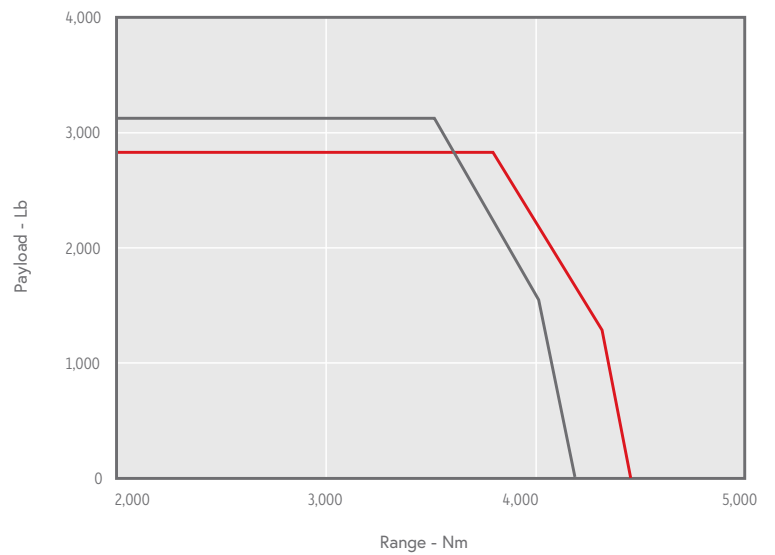

Designed in collaboration with Dassault Falcon, High-Mach Blended Winglets are fast becoming the standard for all 900 series jets in operation. They improve climb performance, increase range and reduce fuel burn. Make the mod that adds resale value, while providing a more modern aesthetic.

CLIMB TIME

— 900B Winglets  
— 900B Baseline

PAYLOAD RANGE

— 900B Winglets  
— 900B Baseline
